

ATTENTION

Garbage day change

LRS is changing the Village of Virgil's refuse pick up day from Thursday to Wednesday starting tomorrow (June 4th).

LRS was supposed to send out a post card in the mail detailing the change as well as put a cart hanger on your garbage can last week, but failed to do so because of the wind

Earlier this week they sent out a text to all the phone numbers they had as a reminder.

If you don't get your trash picked up, or want to complain, please call Katie at LRS directly: 815-901-2130

The Village of Virgil had nothing to do with the change. We do not contract with LRS and are not involved in any negotiations with LRS.
