

COMMUNITY GARAGE SALE

Thursday, July 2nd and Friday, July 3rd

We are looking to put together a community garage sale event to coincide with the Ramm Road Barn sales scheduled for the same dates.

If interested in participating, please email the village clerk at clerk@villageofvirgil.gov

Based on participation, we will coordinate signage, maps, and advertising.

NEW WEBSITE COMING SOON!

Keep an eye out for the new village website launching on **6/15/2026**.

We have been working hard to revamp the website to be more user and ADA friendly and have more content for our residents!

You will also be able to subscribe for email notifications and submit community events to be shared with all.

If you have community photos that you would like to be featured on our website, please send your submissions to the village clerk.
